Any members who would like to just hang out and listen in on the classroom portion of the class are free to join us too! Just let me know by Feb. 15th so we have your names ahead of time.

For members interested in the coaching clinic with their own karts, let me know and we'll arrange different pricing, start time, etc. based on how much coaching is desired.

We also rent GoPro helmet cameras J .. a great addition for coaching!
